

Do you have a unique story of entrepreneurship?

Would you like to connect with other female business owners in your region?

Do you want to figure out ways to improve your business?

FREE Event!

Join us at our facilitated focus group sessions to discuss your experiences of business as a woman.

The discussions will support an ongoing research project to assess the competency gaps and opportunities for female business owners in York region and Simcoe County.

Join us in Accelerating Women together!
